II. First Friends Sports

Vision: First Friends Sports is a ministry of First Friends Church. We are committed to the church's vision to transform the heart, home and world. In order to do that, our sports programs must offer MORE THAN SPORTS. At First Friends Sports, we want to help individuals and families grow in their athletic ability, their character and their faith in Jesus Christ.

Mission: To provide Christ-centered sports programs for our community.

What we offer:

- Sports and Recreation for the whole family.
- A fun, safe and positive environment for competition.
- An opportunity to encounter Jesus.
